**LIBERALNA
PARTIJA**
CRNE GORE

Melody: My bonnie is over the ocean

We're spreading it over the ocean
We're bringing it over the sea
We are setting progress in motion
We are starting up new ideas

Bring that
Bring that
Please bring that sweet freedom to me to me
Bring that
Bring that
Oh bring that sweet freedom to me

We're filled up with liberal emotion
We're fighting for more liberty
We're fighting against the corruption
Oh bring that sweet freedom to me

Bring that
Bring that
Please bring that sweet freedom to me to me
Bring that
Bring that
Oh bring that sweet freedom to me
